Morgan Johnston, University of Illinois F&S Sustainability Coordinator, will give an overview of the new [iCAP Portal](#). The iCAP Portal is a repository of sustainability projects and programs on campus, with contacts, project history, and key data tracking. Since signing the American College and University Presidents' Climate Commitment in 2008, Illinois has worked toward a goal of being carbon neutral by 2050. This presentation will focus on the current status of renewable energy and sustainable transportation on campus.
